CDM Final Close Support Facility Negative Exposure Assessment Report -  
June 2003

Dear Mr. McGuiggin:

CDM is pleased to submit the final close support facility (CSF) negative exposure assessment report. This report details the monitoring activities performed, results, and corrective actions from the negative exposure assessment conducted in June 2003.

If you have any questions or comments regarding this report, please call me at (617) 452-6257.

Very truly yours,

*For* Timothy B. Wall  
Vice President  
CDM Federal Programs Corporation
